LEAVE FOR CHICAGO

Richmond Members of Congressional Union Will Attend Convention of Woman's Party.

Mrs. A. B. McCrone, chairman for Clay Ward, and Miss J. S. Jennings, chairman of the membership committee, left last night for Chicago.

Dr. McFadden divided his sermon into three parts, telling first what was meant by "ascension," and that Christ is ever-living; secondly, he showed that all power is given into His hands, even over life and death; and third, that because of this, righteousness must prevail, and "His kingdom come on earth."

Dr. McFadden chose for his text, St. Luke xxiv. 1: "And it came to pass, while He blessed them, He was parted from them, and carried up into heaven."

MAJORITY FOR KITCHIN ESTIMATED ABOVE 7,000

Bickett's Lead Over Daughtridge for Nomination for Governor of North Carolina Probably Over 25,000.

[Special to The Times-Dispatch.]
RALEIGH, N. C., June 4.—Scattering returns to-day make no change in the results previously announced concerning the North Carolina legalized primary of Saturday. Congressman Claude Kitchin carried every county in his district, and his majority is now estimated at more than 7,000. Bertie, the home county of his opponent, Congressman W. Mitchell, gave Kitchin about 200 majority.

On incomplete returns from the Sixth District, Congressman H. L. Goodwin will enter a second primary with Q. K. Nimocks, of Cumberland. In the seventh district, Lee D. Robinson, of Anson, leads with 11,150 votes, of Moore, claiming a second place for a second primary. In the Tenth, Zebulon V. Weaver is nominated. All these are Democrats.

In the Ninth District, Jake Newell, of Mecklenburg, Republican, is nominated in the only contest in the State among Republicans.

Attorney-General Bickett's majority for the Democratic nomination for Governor over Lieutenant-Governor E. L. Daughtridge is now estimated at above 25,000, on figures from sixty-two out of 100 counties. The returns now in hand show a second primary for secretary of State between the incumbent, J. Bryan Grimes, and J. A. Harbess, of Iredell; also for Commissioner of Agriculture between the incumbent, W. A. Graham, and A. J. McKinnin, of Robeson. All the other incumbents are re-nominated.

GRAHAM IS CONFIDENT OF HIS ELECTION

[Special to The Times-Dispatch.]
RALEIGH, N. C., June 4.—Major W. A. Graham, Commissioner of Agriculture, returning from Charlotte to-day, said he is confident that he will be nominated for commissioner over his two opponents, A. J. McKinnin and S. H. Hobbs. There were no additional figures at the vote for commissioner to-day.

Additional figures on the vote for secretary of State make Colonel Grimes and his friends more confident than before of a second nomination for secretary of State over Grimes and Harbess. He carried Buncombe by 350 each, Pasquotank by 750, Perquimans and Currituck by 350 each. A report of a majority of 100 for Grimes in Robeson is a big surprise, as it was strong political influences against him in that county.

MINE BUILDING BURNED

LOSS IS ABOUT \$10,000 IN BLAZE TWO MILES SOUTH OF KEYS.

KEYSVILLE, VA., June 4.—Early this morning the building of the copper mine of George S. Groves, and two miles south of Keysville, was swept by fire. The damage was about \$10,000. There was no insurance on the mine. George S. Groves, who had just returned from Norfolk to write up the insurance, was taken ill and was under a doctor's care at the time of the fire. He had contemplated writing this insurance on Saturday afternoon. It is thought the fire was of incendiary origin.

PRINCE GEORGE TREASURER HURT IN AUTO ACCIDENT

[Special to The Times-Dispatch.]
PETERSBURG, VA., June 4.—Thomas Temple, treasurer of Prince George County, is in the Petersburg Hospital to-day suffering from severe injuries which he sustained this afternoon when his automobile, in which he was riding with three friends, turned turtle. The extent of his injuries has not yet been ascertained, and he will undergo an X-ray examination to-morrow. Physicians attending him believe his collarbone and shoulder are fractured.

The accident took place near Wilson in Dinwiddie County. Mrs. Temple was driving the car. In attempting to make a turn, one of the axles gave way, and the car turned over in a ditch. Mr. Temple was brought to Petersburg on a Norfolk and Western train. The other three occupants were only slightly injured.

Painful Swollen Veins Quickly Relieved and Reduced

Mrs. R. M. Remler, of Federal, Kansas, writes an interesting account of her success in reducing a severe case of enlarged veins that should be encouraging to others similarly afflicted. She suffered with badly swollen and inflamed veins (in fact, one had broken), for more than seven years before she became acquainted with Absorbine, Jr., and used it. Absorbine, Jr., was faithfully applied for several weeks and, to quote from her letter, "The large knots in the veins left, it was all nicely healed, and has not bothered me since."

Absorbine, Jr., is an antiseptic liniment—healing, cooling and soothing. Safe and pleasant to use. \$1.00 and \$2.00 at your druggist's or postpaid. Liberal trial bottle postpaid for 10c in stamps. W. F. YOUNG, P. D. F., 275 Temple St., Springfield, Mass.
